

In Memoriam and Planned Giving

Ensuring the future of local healthcare for generations to come

Everyone wants to be remembered in some capacity after they pass. Did you know that you can create a lasting legacy for yourself or a loved one while ensuring the future of local healthcare?

While you can choose to donate to any one of our healthcare partners, **you will make the greatest impact by directing funds generally to the St. Francis Valley Healthcare Foundation.**

This will give **the Foundation the flexibility it needs to ensure funds are directed to where they are needed, and when they are needed, the most.**

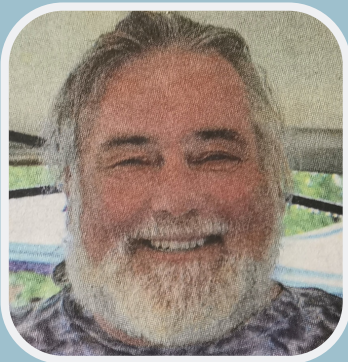

By designating In Memoriam donations to the St. Francis Valley Healthcare Foundation, purchasing an element on the Memory Mural, or assigning a gift in your Will, you are providing future generations access to local healthcare.

Did you know?

When you make a donation in memory of a loved one to the St. Francis Valley Healthcare Foundation, we will send out an acknowledgement card, shown here, to the next-of-kin, recognizing your generous gift. Give us a call today for more information.

Meet some of our In Memoriam and Planned Giving families

Andy Gajda

Andy passed away on October 5, 2012, and wanted to make an impact on local healthcare. He left a significant gift in his Will to the St. Francis Valley Healthcare Foundation that benefited the hospital as well as the Valley Manor redevelopment campaign.

"I'm sure he benefited from the hospital himself but also he was very grateful for the Valley Manor and their efforts in taking care of his mother in her senior years" Zawidzki said. "Andy also acknowledged the need for himself and the greater community to continually support the hospital in order for it to successfully continue into the future."

Monica Burchat

Monica recognized the need for quality healthcare in her community, especially during after her husband was admitted to St. Francis Memorial Hospital in 1993 with Stage Three cancer. She purchased an element on the Landscape of Life in his name.

When she passed away at the Valley Manor at the age of 83 on February 15, 2021, her family wanted to do the same for Monica. They directed In Memoriam donations to the Valley Manor and the hospital, and purchased a leaf on the Memorial Mural.

Her family will eternally be grateful for the quality care Monica received at the Hospital and at the Manor.

Barry Goldie

Before Barry Goldie was a Stone Fence Theatre extraordinaire, he earned his degree in Theatre Arts in Michigan. He moved to the area as a "back to the lander" and eventually settled on the Bonnechere River.

In 2021, Barry became ill and decided to take advantage of the Madawaska Valley Hospice.

"Barry and the whole family highly valued his experience there," his partner Lucy King said. "His care exceeded our already high expectations."

After Barry had passed on March 26, 2021, she and the family asked for In-Memoriam donations to be directed in Barry's name to hospice.

Jan Gregalis

A World War II veteran and a founding member of the Polish Combatants Association in Toronto left a significant gift in his Will to St. Francis Memorial Hospital.

He and his wife fell in love with the area since it reminded them of Poland, and eventually built a cottage on Kamaniskeg Lake.

"Jan once spent time at St. Francis Hospital recovering from a heart attack and was grateful for the wonderful care he received," Executor of his estate Anna Sotnicki said. "There were also quick trips to the ER for the inevitable injuries sustained while working around the cottage. The hospital provided the care they needed and they were grateful."

In Memory Mural

The hospital held a special place in the heart of the late John "Jack" Golka.

John joined St. Francis Memorial Hospital first working as an orderly and eventually becoming a pharmacy technician. He was asked by Sister Rosenda Brady if he would be interested in starting the ambulance

Leaving a gift in your will

Present this information to your lawyer if you are planning to make a gift to the St. Francis Valley Healthcare Foundation in your Will.

Sample statement to add to your Will:

"I direct my trustee(s) to pay to the St. Francis Valley Healthcare Foundation, Barry's Bay, Ont., the sum of \$_____ (or ____% of my estate, or the gift of _____) to be applied as determined by the St. Francis Valley Healthcare Foundation."

Address: 7 St. Francis Memorial Drive, P.O. Box 129, Barry's Bay, Ont. K0J 1B0

service, which he did on January 1, 1971.

Although his healthcare career led him to other places over the years, his daughter, Joanne Truskoski, said St. Francis Memorial Hospital was always home for John and his family.

At 84 years of age, John passed away on June 27, 2021. His family directed In Memoriam donations to the St. Francis Valley Healthcare Foundation, to be used for the highest priority needs.

"We are so proud of the quality of care provided in the hospital and we will always support its growth and further development so that it continues to be such an incredible local resource for so many," Joanne explained.

The family also purchased an element on the memorial wall at St. Francis Memorial Hospital, so that John's memory will be kept alive in the hospital that meant so much to him.

"It's wonderful that people don't have to leave the area for health care services because so much is available right here at home," Joanne said.

Contact the Foundation to purchase an element on the wall today.
